

Password recovery (Step 1)

If you forget your password, go to the Virtual Campus Portal (<https://www.campusvirtualsp.org/en>) or the Virtual Classroom (<https://cursos.campusvirtualsp.org/?lang=en>) and click the “**Forgot password**” link on the left (1).

The screenshot displays the homepage of the Virtual Campus Portal. At the top, there are social media icons for Facebook, Twitter, YouTube, and LinkedIn, along with a language dropdown menu set to "English (en)". The main header features the logos for the Pan American Health Organization, the World Health Organization Regional Office for the Americas, and the Virtual Campus for Public Health. Below the header is a navigation bar with links for "VCPH Portal", "What is the Campus?", "Virtual Classroom", "Virtual Library", "Educational Virtual Clinic", "News", and "PAHO/WHO".

On the left side, there is a "Home" section with a "Login" button. A red arrow points to a yellow circle containing the number "1", which highlights the "Forgot password" link. Below the "Login" button is a "Create account" button. To the right of the "Login" button, there is a "Welcome to the Regional Virtual Classroom for Public Health" section. This section contains six tiles: "Self-learning course", "Courses with tutoring", "Open courses", "Call for applications", "Upcoming courses", and "Help desk". At the bottom of the page, there is a link for "How to apply for participation in a course?".

Password recovery (Steps 2 & 3)

A window will open where you need to enter your username or the email address you used to register (one or the other) **(2)**. Then press the **“E-mail new password”** button **(3)**. The system will send an e-mail with instructions on how to set a new password.
